CHRISTMAS CAROL.

Hark! Oh hark! What do we hear,
Like angel voices sounding near?
What means that bright and wondrous light,
Shining through the realms of night?

Listen to the joyous sound,
Echoing through the earth around.
'Tis the angels from above,
Telling us that God is love.

We'll take up their joyous praise,
One and all our voices raise;
And the angels then will know
We rejoice with them below.
